REOPENER

In the event that the City reaches a settlement with any other employee unit covering the time period of this Agreement that has an ongoing total compensation reduction of less than ten percent (10%), in any form or manner, this agreement will reopen on the subject of total compensation and the parties will meet and confer to determine how the difference between a 10% ongoing total compensation reduction and the lesser amount agreed to with any other employee unit will be provided.

This provision will also apply in the event the City reaches a settlement which does not include the roll back of any general wage increase (not including any step and/or merit increases), as authorized by the City Council on November 25, 2010, received by any employee unit in Fiscal Year 2010-2011.

GRIEVANCE

On October 21, 2010, the Association of Engineers and Architects, IFPTE Local 21 (AEA Unit 41/42), filed a grievance and advanced it to arbitration related to the additional retirement contributions being made by employees represented by AEA Unit 41/42. Per the agreement for Fiscal Year 2010-2011 between the City and AEA Unit 41/42, employees represented by AEA Unit 41/42 were to make additional retirement contributions to reduce the City's required retirement contributions as part of a total compensation reduction. As the additional retirement contributions to be made by employees represented by AEA Unit 41/42 could not be immediately implemented, AEA Unit 41/42 subsequently challenged the additional retirement contributions as calculated by the City.

As part of the overall agreement on a successor Memorandum of Agreement, AEA Unit 41/42 agrees to withdraw the grievance that was advanced to arbitration with regard to the additional retirement contributions with prejudice and forego any other remedy, including, but not limited to, litigation regarding the additional retirement contributions as calculated by the City.

This Agreement is tentative and shall become effective only as part of the overall agreement on a successor agreement between the City and AEA Unit 41/42.
